April 22 at 10:00pm
 Episode: 0# - Duration: 90 minutes - Rating: TVPG
 During the early process of their wilding experiment on their estate, Charlie and Isabella faced many challenges trying to bring back wild elements to the land and animals. Duncan, one of their horses, did not know if he was tamed or wild, and created havoc at the estate. Pigs would interrupt Polo matches and steal patron foods. This behavior jeopardized their dreams of wilding their land.
