# MESSAGE FROM OUR PRESIDENT & GENERAL MANAGER

## Telling Your Story

Vegas PBS members often start their journey with the PBS icons — **ANTIQUES ROADSHOW**, **News Hour**, **American Experience** or **PBS KIDS**. But with Vegas PBS you are getting more than the national programming. You are joining a community that celebrates the people, places and stories that make Southern Nevada so unique. As your PBS member station, we're here to document and celebrate Southern Nevada.

**“As your PBS member station, we're here to document and celebrate Southern Nevada.”**

Think about this: In 2024, there were over 75,000 marriage licenses issued in Clark County — that's an average of over 200 weddings a night! Newlyweds might celebrate by seeing an exciting show on the Strip, like **FANTASY**, where co-producer and dancer Mariah Nieslanik has appeared in 4,000 performances. Talk about dedication!

Or they'll opt for a more classic Vegas experience and catch the **Rat Pack is Back** at the Copa Room. If they're after something more serene though, a stroll through the Shark Reef Aquarium's 1.3-million-gallon tank is a sublime experience.

These aren't just fun facts — they're part of the new episodes of **Vegas All In**, a 100% locally-produced show about what makes Vegas, well, Vegas! It's for newcomers who want to learn more about their new home, and it's for long-time residents to see and celebrate the Las Vegas they already know and love. What sets us apart isn't just the behind-the-scenes. It's the people — the tailors, the chefs, the nonstop entertainers, everyone who gives our city life. You can start watching **Vegas All In** on **June 9, 2025**.

This is the kind of storytelling that public media was meant for.

But these stories — and the infrastructure that allows them to reach you — are at risk. You may have heard me or my colleagues say that federal funding is the backbone of public broadcasting. It sustains the PBS system and supports both national productions and local stations like ours. The proposed rescission of these funds threatens everything from **PBS KIDS** to our ability to produce and share stories from our community.

If you value what we bring to Southern Nevada, I hope you'll take a moment to act. Visit [vegaspbs.org/protect](https://vegaspbs.org/protect). Sign the petition. Contact your representatives. Ask a neighbor to join you.

Together, we'll keep public media strong — for this generation and the next.

**With appreciation,  
Mare Mazur**
