# MESSAGE FROM OUR PRESIDENT & GENERAL MANAGER

## Our Future

The United States Congress has voted to pass the Rescissions Package, eliminating federal funding for PBS for the next two years.

This was not the outcome we were hoping for. Despite millions of Americans advocating for public broadcasting, this important service will now face a difficult road in the coming years.

**“I want to thank our supporters in Southern Nevada and beyond who spoke up in defense of free and accessible public media.”**

I want to thank our supporters in Southern Nevada and beyond who spoke up in defense of free and accessible public media. Your hard work is deeply appreciated and inspiring. I want to also express gratitude to Nevada's Representatives and Senators who firmly stood by us.

**Here's what the passage of the Rescissions Package means for Vegas PBS: We will lose \$3.8 million in anticipated revenue for the next two years.** This is funding that went towards PBS KIDS shows, early childhood education services, local storytelling and emergency alerts. There will be a significant financial shortfall in FY26 and FY27.

In Southern Nevada, 74% of Pre-K children lack access to licensed early education. Through PBS KIDS shows, games and workshops at community centers and libraries around the valley, those children are provided free and high-quality educational content that prepares them for lifelong learning.

After the Great Recession, we began providing Workforce Education to help Southern Nevadans find meaningful careers in a new and diversifying economy.

Vegas PBS has the strongest broadcast signal in all of Nevada. During times of crisis, we are often the only broadcaster that reaches our region's remote communities.

**This is the work we have done for over 55 years ... and this is the work we will continue to do.**

It will be harder without federal funding. But we are committed to advancing local storytelling, education services and workforce development and supporting Clark County School District. Families, teachers, job seekers and viewers will be able to count on us just as they have for generations.

We'll need you. Whether it's through a donation, attending our events or just being a viewer, you can make a difference. Visit [vegaspbs.org/here](http://vegaspbs.org/here) to find out how you can help.

**With appreciation,  
Mare Mazur**

# Ken Burns: The Civil War

Sunday, August 17 at 2:30 p.m.

Between 1861 and 1865, Americans made war on each other and killed each other in great numbers, only to become the kind of country that could no longer conceive of how that was possible. What began as a bitter dispute over Union and States' rights ended as a struggle over the meaning of freedom in America.
