# MESSAGE FROM OUR PRESIDENT & GENERAL MANAGER

## Engaging Education

By now, students across Southern Nevada have settled into the rhythm of a new school year. Fall always brings a sense of possibility — a chance for fresh ideas, renewed energy and inspiring stories of achievement. At Vegas PBS, it also means the return of **Student Spotlight**, our award-winning series that celebrates the talents, dreams and determination of the remarkable students and teachers across the Clark County School District.

“Fall always brings a sense of possibility – a chance for fresh ideas, renewed energy and inspiring stories of achievement.”

Education has always been at the heart of what we do. From beloved national programs like **FRONTLINE** and **NATURE** to our own locally produced programs, such as **Outdoor Nevada** and **Tales From the Trails**.

Beyond the broadcast, we regularly create supporting materials to be used in classrooms for their rich, compelling storytelling and educational content. Vegas PBS is committed to helping learners of all ages succeed. Our Workforce Development team offers online career training programs and Lifelong Learning courses. Other professional development designed specifically for teachers enables them to build skills on their own schedule, while early-learning workshops help prepare our youngest community members for a strong start in school.

Through the years, we've worked alongside educators, parents and community leaders to expand what “America's Classroom” can mean right here in Southern Nevada. Whether it's delivering engaging content, hosting educational workshops or shining a light on student achievement, our mission remains clear: to inspire curiosity, foster understanding and open doors to opportunity.

If this fall you are feeling nostalgic for the days you were sharpening new pencils and organizing your binder, I encourage you to go to [vegaspbs.org/workforce](https://vegaspbs.org/workforce) and look at the tremendous selection in our Lifelong Learning and Career Training catalogues.

Your support ensures we can continue to celebrate our students, empower our teachers and bring the joy of learning into homes across the valley. Together, we can make this school year — and every year ahead — truly exceptional.

With appreciation,  
Mare Mazur
