Russell County Area Community Foundation Provides Grant to SHPBS

BUNKER HILL, KS – Smoky Hills PBS (SHPBS) is pleased to announce that it has received a grant from the Russell County Area Community Foundation to support community events and educational programming on Smoky Hills PBS.

This grant will help Smoky Hills PBS continue providing educational opportunities and engaging experiences for children, families, and communities throughout its viewing area. From educational television programming to outreach events, SHPBS works to bring learning and connection beyond the television screen.

“We are grateful to the Russell County Area Community Foundation for investing in the work of Smoky Hills PBS,” said Betsy Schwien, General Manager of Smoky Hills PBS. “Support like this allows us to bring educational programming and community experiences to the families we serve. Whether it’s through a television screen or at a local event, our goal is to create opportunities that educate, inspire, and bring people together.”

Smoky Hills PBS is committed to serving Central and Western Kansas with programming and outreach that educate the communities that make the region special.
