HOSTED BY EMMY®- WINNING HENRY LOUIS GATES, JR.

Tuesdays

February 3 @ 9PM

February 10 @ 9PM

February 17 @ 8:30 & 9:30PM

A four-part series tracing the rich, complex relationship between Black and Jewish Americans—defined by solidarity and strained by division. Drawn together by racism and antisemitism, they forged civic and cultural bonds, especially during the civil rights era. The series explores both the challenges and enduring promise of that alliance.

Wednesday - Friday, February 4 - 6 @ 7PM

Hosted by Jemelle Holopirek--This series of three one-hour specials investigates the decline of academic standards in Kansas and offers a bold roadmap for reform. Featuring insights from author Kimberly Strassel, former Kansas House Speaker Mike O'Neal, and education policy experts, the programs explore how a shift away from essential skills has left many students unprepared for higher education and the workforce.
