THE SHOT HEARD 'ROUND THE WORLD

THE COMING OF THE AMERICAN REVOLUTION

Friday, July 3 @ 8PM

This program chronicles the settlement of the original thirteen American colonies and explains how the cultural "Englishness" of those colonies began to change over time.

Part 1 - Friday, July 10 @ 8PM & 11PM

Repeat Saturday, July 11 @ 10PM

Part 2 - Friday, July 17 @ 8PM & 11PM

Repeat Saturday, July 18 @ 10PM

Forever enshrined in myth by an assassin's bullet, Kennedy's presidency long defied objective appraisal. Recent assessments have revealed an administration long on promise and vigor, and somewhat lacking in tangible accomplishment. His proposals for a tax cut and civil rights legislation, however, promised significant gains in the months before his assassination. While maturation, as evidenced in the handling of the Cuban missile crisis, was apparent, the potential legacy of the New Frontier will forever be left to speculation.

JK
