PBS KANSAS 8.1 (Cox 8) Features

Sunday - Friday, November 16 - 21 @ 7PM, Repeat @ 9PM

A new six-part, 12-hour documentary directed by Ken Burns, Sarah Botstein and David Schmidt examines how America's founding turned the world upside-down. Thirteen British colonies on the Atlantic Coast rose in rebellion, won their independence, and established a new form of government that radically reshaped the continent and inspired centuries of democratic movements around the globe. An expansive look at the virtues and contradictions of the war and the birth of the United States of America. The film follows dozens of figures from a wide variety of backgrounds. Viewers will experience the war through the memories of the men and women who experienced it.

Sunday, November 23 @ 8PM

This is the true story of Bernard Jordan (Michael Caine) who made global headlines in the summer of 2014. He had staged a "great escape" from his care home to join fellow war veterans on a beach in Normandy, commemorating their fallen comrades at the D-Day Landings 70th anniversary. The late, two-time Oscar® winner Glenda Jackson also stars as Bernie's devoted wife, Irene.
