Thursday @ 11PM Starting September 3

Hemingway, a three-part, six-hour documentary film by Ken Burns and Lynn Novick, examines the visionary work and the turbulent life of Ernest Hemingway, one of the greatest and most influential writers America has ever produced. Interweaving his eventful biography — a life lived at the ultimately treacherous nexus of art, fame, and celebrity — with carefully selected excerpts from his iconic short stories, novels, and non-fiction, the series reveals the brilliant, ambitious, charismatic, and complicated man behind the myth, and the art he created.

Originally premiering September 11, 2021 in remembrance of the 20th anniversary of the September 11 attacks, this special performance hosted by Misty Copeland and led by Met Music Director Yannick Nézet-Séguin featuring soloists Ailyn Pérez, Michelle DeYoung, Matthew Polenzani and Eric Owens. The program is reaired in to commemorate the 25th anniversary.
