SERISE PREMIERE

The Forsytes

Beginning Sunday, March 22 at 8PM/9MT

Repeats Mondays at 1AM/2MT

Desire, ambition and betrayal simmer at the heart of this sumptuous costume drama. "The Forsytes" chronicles the trials and triumphs of a wealthy Victorian stockbroking family, whose generations find themselves torn between tradition and the personal pursuit of happiness. Inspired by John Galsworthy's celebrated novels, "The Forsyte Saga," the show portrays events that take place before those covered in Galsworthy's books.

The stellar ensemble cast includes Francesca Annis, Jack Davenport, Tom Durant Pritchard, Jamie Flatters, Millie Gibson, Danny Griffin, Susan Hampshire, Owen Igiehon, Tuppence Middleton, Stephen Moyer, Joshua Orpin, Josette Simon and Eleanor Tomlinson.

Screenwriter Debbie Horsfield notes, "It was an honor to be asked to write a bold new reimagining of Galsworthy's epic saga. Our show is in part a prequel to the events of the first book, but also an opportunity to expand the world and place the women of the family center stage. It's a love letter to the original story while offering an exciting new perspective."

SEASON PREMIERE

Civics Bowl

Beginning Monday, April 20 at 7PM/8MT

Repeats Sundays at 11AM/12MT

The region's best quiz show returns to KSPS PBS.

How much do you remember from your high school civics class?

"Civics Bowl" is Spokane's first and only televised civics knowledge tournament. Teams from Spokane area high schools compete by answering questions about national, state, tribal and regional governments, as well as other topics related to high school-level study of civics and history.

Nine teams from Spokane Public Schools, Central Valley School District and Liberty School District will participate in the upcoming season. Contests will be recorded in-person at the KSPS PBS studios.

Each episode consists of four distinct rounds of play to challenge players in different ways. You'll also see guest question presenters from some of our region's top government and community leaders.

KSPS PBS is pleased to welcome Scott Leadingham to the "Civics Bowl" podium for season four. Not only has Leadingham been a big fan of "Civics Bowl" since our first season premiered in 2022, but he also brings professional experience as a journalist and an advocate for First Amendment rights and education to the program.

"Civics Bowl" was created to elevate the importance of civics education among students, their families and our community. We encourage you and your family to watch and play along to better understand the workings of our government, examine our rights and responsibilities and think about the civic actions we can all take to help protect our democracy.

KSPS PBS is committed to increasing broader awareness of and engagement in key issues impacting local and regional civic health, from elections and the democratic process to in depth reporting and issue forums on the major challenges in public safety, homelessness, social and racial justice, health care and other key issues affecting our community and democracy.

At KSPS PBS, we believe hope is something you can tune into.

You see it in the curiosity of a child discovering something new, in the comfort of a familiar voice during uncertain times, and in stories that reflect the dignity, complexity, and promise of our region. Every day, KSPS PBS exists to educate, inspire and connect, and that work is only possible because of people like you who believe in the power of public media.

As we look ahead, we are inviting our community to support KSPS PBS in new and meaningful ways that reflect the many paths people take to make a difference. Our mission has always been rooted in service: free access to trusted information, educational resources that strengthen families, and programming that brings people together across differences. Sustaining that mission takes creativity, care and shared commitment.

Many supporters are surprised to learn that giving does not always mean writing a check. You can make a lasting impact by donating a used vehicle, property or gently used technology. Others choose to include KSPS PBS in their will or estate plans, creating a legacy that ensures trusted, community-centered programming will be here for generations to come. These thoughtful gifts help build stability for the future while honoring the values you hold today.

However you choose to give, your support helps protect a space where learning is lifelong, facts matter, and everyone is welcome—on screen, online and in our community.

Public media is built on the belief that an informed, curious and compassionate community is a stronger one. With your partnership, KSPS PBS will continue to be a place of discovery, understanding and hope today and far into the future.

Thank you for being part of this mission and for believing in what we can build together.

With gratitude,
The KSPS PBS Team

THANK YOU FOR YOUR GIFT TO KSPS PBS!

Because you support Public Television, you...

...explore new ideas and broaden your horizons....think music, theater, dance and art should be accessible to everyone....love to curl up with a good documentary or a trusted current affairs program. ...grew up with Mister Rogers; and you value research-based children's programs for pre-K kids from all walks of life. **Your gift supports the programs you value. Here's how you can amplify the impact of your donation:**

Become a Sustainer

Sustainers are the lifeblood of the station—because you make automatic, ongoing, monthly donations from your bank account. Instead of renewing your commitment each year, your automatic monthly contribution keeps us going. If you're not already a Sustainer, this is the easiest way to amplify your donor impact. Call 800-735-2377 and ask to become a sustainer or visit KSPS.org to learn more.

Employer Matching

You can double or triple the impact of your gift by signing up for a matching gift from your employer. Hundreds of companies are already doing it! Ask your HR manager if your company will match your donations to KSPS PBS, or visit KSPS.org/employer-match to see if your company is already listed.

Automatic Withdrawal

The only thing better than a sustainer is a sustainer who gives by automatic bank withdrawal. Called EFT or PAD, this payment method is more secure and convenient than a credit or debit card charge, because your bank account can't expire or be lost or stolen. Plus, with lower transaction fees, more of your donation goes to the programs you love! Instead of your card number, we'll need your bank's routing and account numbers. So grab your checkbook and call 800-735-2377 today.

Vehicle Donation

Thinking about selling your car, boat, motorcycle or truck, but unsure how much you can get for it? Donate your unneeded vehicle to KSPS PBS. Vehicles of all shapes and sizes are accepted. Your vehicle will be towed at no cost to you. Then it will be auctioned and the proceeds will be donated to support the programs you love. Visit KSPS.org/vehicle or call 844-KSPS-CAR.

Like, Follow, & Share

Follow KSPS PBS on Facebook and Instagram. Subscribe to KSPS PBS on YouTube. Share our newsletter with your friends and family. Not only will we keep you up to date on events and opportunities but you'll be the first to know about drawings and giveaways. It's FREE!

Leave a Legacy

To ensure that the programming you love is available for generations to come, you can make a legacy gift to KSPS PBS in your will, life insurance policy, trust or foundation. You can make an incalculable impact and your gift can benefit you and your family today. For more information about planned giving or for sample verbiage for your own estate planning, please call Jill Nunemaker at 509-443-7728 or email jnunemaker@ksps.org.

Meet Your Station

Peter Dunau, Marketing & Communications Director

Role at KSPS PBS:

As the Marketing & Communications Director, my job is to connect people with the great work we're doing here at the station – that includes our national and local programming as well as our work in the community. Our goal is that everyone in our region knows that KSPS PBS is their public media television station.

Favorite KSPS show:

I can't pick one! "Frontline" can't be beat for in-depth coverage, and "PBS Newshour" is a great way to stay up to date on current events. I'm also a big Ken Burns fan and enjoy "Finding Your Roots." On the local side, the stories on "Northwest Profiles" always leave me feeling inspired by the talented, good-hearted people in our region. My son's just entering his toddler years, so I've also loved rediscovering PBS Kids through his eyes. "Sesame Street" (or as he calls it "Elmo") is in heavy rotation these days.

Preferred way to watch:

I use the PBS App, but also tune in live via my tv antenna from time to time.

What's one thing you wish more people knew about KSPS PBS:

I want more people to know that we do much more than programming. As a public media station, we're committed to doing good in the community. In the 2024-25 year, our education program connected with 5,000 community members at libraries, festivals and family events, and our Career Explore NW program— an initiative to connect youth with regional career pathways— reached over 90,000 users. That's just a couple examples of the work we do. When you support KSPS PBS, you aren't just supporting your favorite shows, you're also supporting an organization that's out there making real connections with real people to uplift our region.

Thank You For Your Support
