Life On Earth: Attenborough's Greatest Adventure

Wednesday, May 6 at 7PM/8MT

Repeats May 8 at 4AM/5MT

In 1976, Sir David Attenborough embarked on an ambitious three-year global odyssey to film "Life on Earth," an innovative documentary of unprecedented scale. Attenborough and his team traveled to 40 countries to document over 600 species and faced extraordinary challenges along the way, including a coup in the Comoros, gunshots in Rwanda, and threats from Saddam Hussein's army in Iraq. Written and presented by Attenborough, "Life on Earth" set out to "tell the greatest story in all the world": how life on our planet evolved.

Fifty years after production began, and in celebration of Attenborough's 100th birthday, "Life On Earth: Attenborough's Greatest Adventure" offers rare, behind-the-scenes insight into the making of the groundbreaking series. Featuring exclusive interviews with Attenborough and his original crew, the special captures the triumphs and setbacks of filming the series during a pivotal era in television history, when jet travel and color filming were relatively new.

At KSPS PBS, we believe hope is something you can tune into.

You see it in the curiosity of a child discovering something new, in the comfort of a familiar voice during uncertain times, and in stories that reflect the dignity, complexity and promise of our region. Every day, KSPS PBS exists to educate, inspire and connect, and that work is only possible because of people like you who believe in the power of public media.

As we look ahead, we are inviting our community to support KSPS PBS in new and meaningful ways that reflect the many paths people take to make a difference. Our mission has always been rooted in service: free access to trusted information, educational resources that strengthen families, and programming that brings people together across differences. Sustaining that mission takes creativity, care and shared commitment.

Many supporters are surprised to learn that giving does not always mean writing a check. You can make a lasting impact by donating a used vehicle, property or gently used technology. Others choose to include KSPS PBS in their will or estate plans, creating a legacy that ensures trusted, community-centered programming will be here for generations to come. These thoughtful gifts help build stability for the future while honoring the values you hold today.

However you choose to give, your support helps protect a space where learning is lifelong, facts matter, and everyone is welcome—on screen, online and in our community.

Public media is built on the belief that an informed, curious and compassionate community is a stronger one. With your partnership, KSPS PBS will continue to be a place of discovery, understanding and hope today and far into the future.

Thank you for being part of this mission and for believing in what we can build together.

With gratitude,
The KSPS PBS Team

THANK YOU FOR YOUR GIFT TO KSPS PBS!

Because you support Public Television, you...

...explore new ideas and broaden your horizons....think music, theater, dance and art should be accessible to everyone....love to curl up with a good documentary or a trusted current affairs program. ...grew up with Mister Rogers; and you value research-based children's programs for pre-K kids from all walks of life. **Your gift supports the programs you value. Here's how you can amplify the impact of your donation:**

Become a Sustainer

Sustainers are the lifeblood of the station—because you make automatic, ongoing, monthly donations from your bank account. Instead of renewing your commitment each year, your automatic monthly contribution keeps us going. If you're not already a Sustainer, this is the easiest way to amplify your donor impact. Call 800-735-2377 and ask to become a sustainer or visit KSPS.org to learn more.

Employer Matching

You can double or triple the impact of your gift by signing up for a matching gift from your employer. Hundreds of companies are already doing it! Ask your HR manager if your company will match your donations to KSPS PBS, or visit KSPS.org/employer-match to see if your company is already listed.

Automatic Withdrawal

The only thing better than a sustainer is a sustainer who gives by automatic bank withdrawal. Called EFT or PAD, this payment method is more secure and convenient than a credit or debit card charge, because your bank account can't expire or be lost or stolen. Plus, with lower transaction fees, more of your donation goes to the programs you love! Instead of your card number, we'll need your bank's routing and account numbers. So grab your checkbook and call 800-735-2377 today.

Vehicle Donation

Thinking about selling your car, boat, motorcycle or truck, but unsure how much you can get for it? Donate your unneeded vehicle to KSPS PBS. Vehicles of all shapes and sizes are accepted. Your vehicle will be towed at no cost to you. Then it will be auctioned and the proceeds will be donated to support the programs you love. Visit KSPS.org/vehicle or call 844-KSPS-CAR.

Like, Follow & Share

Follow KSPS PBS on Facebook and Instagram. Subscribe to KSPS PBS on YouTube. Share our newsletter with your friends and family. Not only will we keep you up to date on events and opportunities but you'll be the first to know about drawings and giveaways. It's FREE!

Leave a Legacy

To ensure that the programming you love is available for generations to come, you can make a legacy gift to KSPS PBS in your will, life insurance policy, trust or foundation. You can make an incalculable impact and your gift can benefit you and your family today. For more information about planned giving or for sample verbiage for your own estate planning, please call Jill Nunemaker at 509-443-7728 or email jnunemaker@ksps.org.

Meet Your Station

Ian Maikisch, Director of Engineering and Operations

Role at KSPS PBS

As the Director of Engineering and Operations at KSPS PBS, my primary responsibility is to keep the station on the air and running smoothly. We transmit and monitor content over the air, on cable and online across several channels, including our main services: 7.1 KSPS, 7.2 World, 7.3 Create and 7.4 Kids. I ensure this content is delivered reliably and at the highest possible quality to the communities we serve. I have the pleasure of working alongside an incredibly talented engineering and operations team. I'm proud to support and work closely with such a dedicated group of people.

Favorite KSPS show

I got my start in the music industry, and my first job was with a recording studio that produced a live-session series. That background is why “Inland Sessions” is my favorite KSPS PBS show. The program allows us to collaborate with local bands, capture live performances and share that creativity with the community across our platforms.

Preferred way to watch

I prefer to watch over the air. KSPS PBS has a large broadcast footprint and over-the-air television allows us to reach a wide range of communities, including many rural and underserved areas. While there's a perception that broadcast television is declining, at KSPS PBS, it remains an essential part of how we serve our region. We're proud of the infrastructure that makes this possible and of the reliable access it provides to education, news and cultural programming for viewers throughout our coverage area.

What's one thing you wish more people knew about KSPS PBS?

I wish more people knew how deeply community focused we are. Our local community, along with the many communities we serve across the region, is the reason we come to work every day. We take great pride in being stewards of this content and feel fortunate to do this work in a place that means so much to us.

Thank You For Your Support

All the work that KSPS PBS does is made possible by the support from these partners throughout our community:
