**The Greatest Story Ever Told (1965)**

**SATURDAY, 4/4 8:03 PM** Also 4/5 1pm

From his birth in Bethlehem to his death and eventual resurrection, the life of Jesus Christ (Max von Sydow) is given the all-star treatment in this epic retelling. Major aspects of Christ's life are touched upon, including the execution of all the newborn males in Egypt by King Herod (Claude Rains); Christ's baptism by John the Baptist (Charlton Heston); and the betrayal by Judas after the Last Supper that eventually leads to Christ's crucifixion and miraculous return.

**Eight Men Out (1988)**

**SATURDAY, 4/11 8:03 PM** Also 4/12 1pm

The Chicago White Sox, who are set to play the Cincinnati Reds in the World Series of 1919, are at odds with their team's owner, Charles Comiskey, who pays his players unsatisfactory wages despite the team's popularity. A group of professional gamblers offers the Sox's best athletes a fortune to throw the series, and the players agree. However, their reputations and careers are ruined when the dark secret, dubbed the Black Sox Scandal, reaches the public consciousness.

**Ben Hur (1959)**

**SATURDAY, 4/18 8:03 PM** Also 4/19 1pm

Epic drama about an aristocratic Jew living in Judaea who incurs the wrath of a childhood friend, now a Roman tribune. Although forced into slavery on a galley and compelled to witness the cruel persecution of his family, he survives, harbouring dreams of vengeance. A battle at sea and a chariot race are among the memorable sequences. The film used 300 sets at Rome's Cinecitta Studios and won a record 11 Oscars.

**Gorillas in the Mist (1988)**

**SATURDAY, 4/25 8:03 PM** Also 4/26 1pm

This film is an adaptation of wildlife expert Dian Fossey's autobiography. Midwesterner Fossey (Sigourney Weaver) leaves the United States for Africa, where she studies the gorillas of Rwanda and Uganda. As Fossey develops a bond with the animals, she also becomes wary of the poachers who prey on them. Fearing that the gorillas will go extinct if humans continue to hunt them, she organizes a defense league to protect the animals; in doing so, though, she puts herself in a perilous situation.

*Thoughtful Insights into Our History*

**Lucy Worsley Investigates: The American Revolution**

**The Break Up**

**TUESDAY 4/7 8PM** Also 4/16 noon, 4/29 3am

The episode traces the rising tensions between Britain and the colonies, from the punitive taxes and the Stamp Act of 1765 through the flashpoints of the Boston Massacre and the Boston Tea Party. Worsley also explores the radical voices on both sides of the Atlantic—John Wilkes in London and Thomas Paine in America—whose words crystallised the colonists' vision of liberty and independence. With access to expert insights and original evidence, Lucy asks whether this explosive split could have been avoided.

**A Messy Divorce**

**TUESDAY 4/14 8PM** Also 4/23 noon, 4/30 3am

The second episode examines how the war reverberated within Britain itself. At Portsmouth Royal Dockyard, Worsley investigates the shocking arson plot of James Aitken, who attempted to cripple the Royal Navy. She traces Benjamin Franklin's secret mission to Paris to secure French support for the American cause, while British spy Edward Bancroft fed intelligence back to London. The episode explores Britain's growing fears as France and later Spain joined the conflict, and how Irish Volunteers used the moment to force Britain to lift trade restrictions.

Carl and his friends at school.

## Celebrate National Autism Acceptance Month!

### Carl the Collector

**WATCH ON MONTANA PBS-KIDS  
MON-FRI 11AM & 11:30AM; SAT & SUN 11AM  
Also airs on Montana PBS-HD: Mon-Fri 6:30am**

*Carl the Collector*, follows the everyday adventures of Carl, a warm-hearted autistic raccoon who loves collecting things. The show focuses on social and emotional learning, emphasizing self-awareness, self-management, social awareness, and relationship skills. It also explores self-identity through Carl's perspective.

Carl's talents – a laser-focus pursuit of his goals, attention to detail, and a distinctive way of looking at and experiencing the world around him – have helped him amass a collection for just about every occasion. Carl has a lot of energy and is logical and precise, yet he often struggles with anxiety in new situations and has difficulty when things don't go according to plan. Like all of his friends, he is learning that there is no right or wrong way to be himself.

### Donate your old vehicle to Montana PBS

Door handles that don't work. Broken AC. Buzzing, blown-out speakers. Sure, it still runs, but at some point, that old car becomes a bigger hassle to maintain than it's worth. If you can relate, why not donate that jalopy to Montana PBS and support the local community?

We'll pick it up at no cost to you and we accept all kinds of vehicles, including motorcycles, RVs, boats, and farm equipment. Donations are **tax deductible** and come with a one year membership that includes access to our premium streaming service, **Montana PBS Passport**.

## Jonnie

Jonnie Jonckowski's obsession with becoming a champion bull rider defied gender stereotypes and resulted in life-threatening injuries. It also led to a life of astonishing triumph and heartbreak. *Jonnie* stitches together a woman's intrepid pursuit of a world title in the 1980s with her dramatic present-day story: rescuing battered horses, battling natural disasters, and fiercely devoting herself to a community in need. With a graceful blend of archival and verité footage, dynamic interviews, and flashbacks brought to life through artful sketch animation, the feature-length documentary explores the human need to find meaning in whatever we do.
