(start at 11:36)

Caregiver Tips

Ask questions that help them describe the textures—how each one feels and what they like about it.

Activity

Texture Collage

Materials:

- Containers like a basket, jar or plastic bag for collecting different textured items
- Collage base like paper, cardboard, paper plate or fabric
- Glue or glue sticks
- Trays or plates for sorting

Directions:

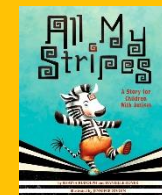

Go on a texture hunt for different textures to use in a collage. You can go indoors and outdoors. Sort the items by textures like bumpy, smooth, scratchy, etc. Build the collage on your designated base.
