

Spring Weather

Video

Watch: [The Weather Hunters Wonder About](#)

Caregiver Tips

Talk with your child about what the weather chart shows. Ask what they notice. Do they see any patterns? How does the weather compare to the suggestions in the weather key?

Activity

[Weather Chart for Kids](#)

Materials:

- Download the **Track Your Daily Weather** sheet.

Directions:

- Pick a date to start and fill in the following dates. Observe the weather at the same time each day.
- Use the key on the weather calendar and draw weather symbols on each day. Or draw your own pictures!
- Keep observing and recording until the sheet is complete.

Book

Read: *I See Spring* **Author:** Charles Ghigna

Play:

Game

*Download the **PBS KIDS Games App** to play offline.

Extended

[Tornado in a Jar](#)

Explore the science of tornadoes with this simple activity. Ask your child if they know what a tornado is. If not, explain that a tornado is a large, spinning column of air that forms during certain weather conditions.
