Station 3: The finish line is in sight! Ask your child to list 3 words that rhyme with "run" (or "jump" or "race" or "bat" or "ball"). When finished, your child can dash across the finish line.

Caregiver Tips

Make learning active and fun! Encourage your child to say, move, and repeat as they play. Celebrate their effort and let them take the lead. When they're ready, add a challenge by practicing letter sounds, using words in sentences, or finding more rhyming words.
