

# FROM THAT SMALL ISLAND

The story of the Irish

Shot on location in 17 countries worldwide, this ambitious, groundbreaking four-part documentary series tells the story of the Irish from the very first inhabitants to the present day, tracing the ebb and flow of people into and out of the island. Produced by the same team behind the multi-award-winning *1916: the Irish Rebellion*, the series provides a compelling narrative of Ireland and its people. Narrated by Colin Farrell and featuring an original score by Colm Mac Con Iomaire, this series is a journey through time, identity, and the enduring spirit of a people whose story continues to shape the world.
