

Asian American and Pacific Islander Heritage Month

MPT is airing programs that celebrate Asian American and Pacific Islander culture all month long. First, on May 18 at 10pm, experience a Chinese family's multigenerational trauma as it unfolds across time, place, and identity on the Independent Lens film *Light of the Setting Sun*. Then, on May 25 at 10pm, find out why generations call Robert A. Nakamura the godfather of Asian American film in the Independent Lens program *Third Act*. Next, on May 27 at 10pm, *Secrets of the Dead* premieres "China's Bronze Kingdom," where an ancient city is discovered. And lastly, tune in on May 28 at 8pm for *Bruce Lee, Enter the Dragon*, a documentary about the man behind the myth.
