

SEASON 24 PREMIERES FEBRUARY 20 AT 8PM

Set in the picturesque, fictional English county of Midsomer, this series follows DCI John Barnaby (Neil Dudgeon) and his trusty sidekick, DS Jamie Winter (Nick Hendrix), as they tackle perplexing crimes while exploring the quirks of this delightful yet deadly county. This season, the duo is thrust into intriguing new cases, including the turmoil within an old-money family, the mysterious death of a treasure hunt organizer, and a village's fight against a wealthy American oilman to retain its title as "The Greenest Village in Midsomer." As always, Barnaby and Winter are joined by the inimitable pathologist Dr. Fleur Perkins (Annette Badland), Barnaby's wife, Sarah (Fiona Dolman), and their daughter Betty, as well as their lovable dog, Paddy.
