

CINEMA NOMAD

SEASON 2 PREMIERES SEPTEMBER 10 AT 10PM

This art- and culture-focused travel series explores nations around the world through the lens of their cinematic past, present, and future. Kicking off a new season, we journey through Zimbabwe's breathtaking landscapes and rich history – from the ancient ruins of Great Zimbabwe to a safari in Mana Pools. Along the way, we meet Charles and Thandie, married filmmakers who persevere through political uncertainty, power outages, and economic challenges to create bold, genre-defying films that celebrate the culture, stories, and spirit of the country they call home.
