

# Bella!

THIS WOMAN'S PLACE  
IS IN THE HOUSE

Follow the meteoric rise of firebrand politician and activist Bella Abzug. Considered one of the first feminists to be elected to Congress, her commitment to women's rights and progressive causes upended the status quo in Washington. Join Barbra Streisand, Nancy Pelosi, Gloria Steinem, Hillary Clinton, Marlo Thomas, Shirley MacLaine, and more as they reflect on Abzug's legacy.
