AMERICA MADE IN VIRGINIA: 250 YEARS TOGETHER

Saturday, July 4 at 8 PM, repeating at 10 PM

Set in the heart of Colonial Williamsburg, the two-hour program pays tribute to America's Semi-quincentennial with live performance, historic interpretation, music, narration and large-scale visual spectacle that honors the past, engages the present, and helps inspire America's future - all from the place where the path to independence truly began.

DESTINATION DETROIT

Tuesday, July 7 at 10 PM

No city tells the 20th-century American story quite like Detroit. Explore this powerful migration story through community voices, history and culture to showcase the hard work, innovative thinking and adventurous spirit of the four million people who call Southeast Michigan home. Connect the city's past, present and future to the larger American journey.

INDEPENDENT LENS: FLOOD

Monday, July 13 at 10 PM

Katy Scoggin returns home to the Inland Empire to face her differences with her evangelical father. What begins as a project becomes a journey toward empathy and connection, as they confront faith, family, and memory on a cross-country trip.

POV: FOR VENIDA, FOR KALIEF

Monday, July 27 at 10 PM

Kalief Browder's everlasting legacy expands via the poetry of his mother, Venida in an unfolding poetic journey between past, present, and future. This film weaves a cinematic collage of vérité, poetic visuals, and rare archival imagery from 1970s New York, and reveals how an individual's life-and afterlife-can transcend systemic oppression to ignite change once thought unattainable.
