Dear Friends,

There's plenty to be thankful for this Holiday season, as PBS Charlotte brings the joy of exceptional programming to you this Thanksgiving!

NOVA starts us off with **Operation Space Station: High Risk Build**. The size of a football field, the International Space Station hurtles around Earth at 17,000 mph, shielding its astronauts from the most hostile environment humans have ever endured. **Operation Space Station: High Risk Build** premieres **Thursday, November 6th at 9PM**.

In honor of America's 250th anniversary, PBS Charlotte proudly brings you the newest documentary in our Living History series, **Freedom's Footsteps: A Southern Perspective on the American Revolution**. Learn about the bold actions taken by the citizens of Mecklenburg County in 1775, who declared their independence from British rule over a year before the Declaration of Independence. **Freedom's Footsteps: A Southern Perspective on the American Revolution** premieres **Sunday, November 16th at 7:30 PM**.

Sunday, November 16th will also see the premiere of the acclaimed six-part film from Ken Burns, Sarah Botstein, and David Schmidt, **The American Revolution**. The film will present the story of the men and women who waged and witnessed a war that changed the world. Weaving together a wide variety of perspectives from soldiers, civilians, and leaders — famous and forgotten, young and old, native and newcomer, enslaved and free, rich and poor, loyalist and patriot — **The American Revolution** will tell how, against the odds, thirteen British colonies on the Atlantic Coast united in rebellion, won their independence, and established an American republic that still endures. **The American Revolution** premieres **Sunday, November 16th at 8 PM**.

The Great Escaper stars Michael Caine and Glenda Jackson, in her final performance, this film is based on the true story of an 89-year-old British World War II Royal Navy veteran, Bernard Jordan, who "broke out" of his nursing home to attend the 70th anniversary D-Day commemorations in Normandy, France in June 2014. Along the way, he is aided by strangers, makes some new friends and says a heartfelt goodbye to a fallen friend, while news of his "escape" makes him an international sensation. **The Great Escaper** premieres **Sunday, November 23rd at 9 PM**.
