Dear Friends,

PBS Charlotte starts the month off hot with a new mystery series! Detective Phryne Fisher (Essie Davis) is known for her sharp wit and pearl-handled pistol, which she uses to fight injustice in Melbourne during the 1920s. Miss Fisher stands for justice for people who can't help themselves. **Miss Fisher's Murder Mysteries premieres** on PBS Charlotte **May 1st at 9 PM**.

PBS Charlotte is celebrating Sir David Attenborough's 100th birthday all month long, starting with *Life on Earth: David Attenborough's Greatest Adventure*. In 1976 David Attenborough embarked on his most ambitious project ever. No one had ever attempted a natural history series on this scale before. His reputation was on the line. This is the story behind TV's first wildlife blockbuster, *Life on Earth*. **Life on Earth: David Attenborough's Greatest Adventure** airs **May 7th at 8 PM**.

Narrated by actor Viola Davis, *American Masters: W.E.B Du Bois: Rebel with a Cause* explores the life and legacy of notable Black scholar and civil rights pioneer W.E.B. Du Bois. Born just five years after the Emancipation Proclamation, Du Bois lived a life marked by cultural influence, passing away in Ghana on the eve of the 1963 March on Washington. **American Masters: W.E.B Du Bois: Rebel with a Cause** airs **May 20th at 10 PM**.

On May 24th, PBS Charlotte celebrates Military Appreciation Month with *The National Memorial Day Concert*, honoring our country's veterans, servicemen and women and military families. The concert unites the country in remembrance and appreciation of those who gave their lives for our nation and serves those who are grieving through the mission put forward by Abraham Lincoln in his second inaugural address, "Let us strive on to finish the work we are in; to bind up the nation's wounds; to care for him who shall have borne the battle, and for his widow, and his orphan." **The 2026 National Memorial Day Concert** airs **May 24th at 8 PM**.
