Dear Friends,

As autumn arrives and the days grow a little cooler, PBS Charlotte is bringing you an exciting lineup of mystery, drama and unforgettable stories this October.

In the Season Five premiere of **Professor T**, Jasper and Helena put their fragile new romance to the test during a secluded spa getaway. When an “accidental” death rekindles Jasper’s investigative instincts, personal turmoil begins to cloud his judgment just as the team confronts darker and increasingly complex cases. Meanwhile, Maiya steps into a leadership role and Chloe grows bolder. In **Maigret** Season 2, an epic power struggle unfolds within La Brigade Criminelle when Maigret’s boss, Director of Police Xavier Guichard, becomes suspicious of his methods and sets out to challenge him. With colleagues leaving and a new, unpopular team member arriving, tensions rise as Maigret tackles another series of difficult cases.

And **The Gold** returns for its gripping final season, continuing the extraordinary story of the Brink’s-Mat robbery and the more than three tons of stolen gold bullion that disappeared. After discovering they had been chasing only half of the stolen gold, police continue their search for answers in this thrilling drama inspired by one of Britain’s most notorious robberies. **Professor T**, **Maigret**, and **The Gold** premiere **Sunday, October 18th beginning at 8 PM.**

And on **Wednesday, October 21st at 9 PM**, join Ken Burns and the filmmaking team of Florentine Films for **An Anthem to America: Ken Burns & Florentine Films Celebrate 50 Years**. Take a fascinating look behind the scenes of five decades of groundbreaking documentaries, meet the people who helped create these acclaimed films, and discover the distinctive approach that has brought American history to life for generations of viewers.

From all of us at PBS Charlotte, thank you for watching and for being part of our community. We’re grateful to have you with us and look forward to sharing even more outstanding programming with you throughout the fall.
